Ordinary People Serving an Extraordinary God

SEPTEMBER 2019

STEPPING INTO 19 YEARS!

19 YEAR ANNIVERSARY! I can hardly believe that we are entering the 19th year of Grace Place here in Monroe! They have been the fastest and most rewarding years of my life!

I came to Monroe in September 2001 with no clue as to all that the Lord was about to do. He opened "doors" to begin Grace Place on the south side of Monroe, LA and I walked through those doors with fear and trembling! He is still opening "doors" and I'm still trembling. . . . maybe not so much from fear. . . . but from His awesome Presence and anticipation of more of His Glory in the days ahead!

When I began full-time ministry on the streets of New Orleans in September 2000, I heard the Lord say to my spirit, "I'll carry you over the threshold." I can show you the exact spot where He spoke this to me. My first thought was of a husband carrying his bride over the "threshold" after a wedding ceremony where vows of love and commitment are exchanged. That is a great picture of what Jesus has done for me. My love relationship with Him is one of a husband and wife because He is my Husband! (See Ephesians 5:22-32).

Isaiah 54:5, "For your Maker is your Husband, the Lord of hosts is His name." Revelations 19:7, "Let us be glad and rejoice and give Him glory for the marriage of the Lamb has come and His wife has made herself ready." We know that a great marriage feast is being prepared for all of us who believe and look for His coming again! He will take us with Him and we will be together for all of eternity!

I have heard Him say the same phrase several times over the past nineteen years and recently heard Him say it again. In the past, there were changes about to take place and another "door" was about to open.

I have had many wonderful "doors" of opportunity to open for me and Grace Place but the excitement I feel in my spirit is more than what I've experienced previously!

I believe that not just I. . . . but all who are willing and desperate for MORE of God. . . . are on the "threshold" of going higher into the realms of God! We don't know what it looks like or feels like but if it means more of God and His glory. . . . I want it!

Our knowledge is so limited of God and just how big He is! According to *1 Corinthians 2:9, "Eye has not seen, nor ear heard, nor have entered into the heart of man the things which God has prepared for those who love Him."*

What about you? Do you want more of God and His Glory or are you satisfied with what you have? *Revelations 3:20, "Behold, I stand at the DOOR and knock. If anyone hears my voice and opens the DOOR, I will come into him and dine with him and he with Me."*

The Lord is at the DOOR and is so close to coming back. He's wanting us to cross over the "threshold" of the door that He is opening up to us. The desire of His heart is for fellowship, with mutual love and commitment. . . . Intimacy!

He is inviting each of us to cross over the "threshold" into His undiscovered realms of Glory which are just waiting for us to enter. When we go from these realms of glory to glory, we will behold Him and become just like Him. . . . transformed. . . . touching Heaven. . . . changing earth!

LET'S GO HIGHER!

*I love you!!
