

STORE UP EXTRA!!

Store up extra what?? Toilet paper? Food? Water? As our world is in crisis with the Coronavirusare we properly prepared? Everything has changed! We haven't passed this way before! Hebrews 12:27 speaks about everything being shaken and only what can't be shaken remains. Verse 28, "we are receiving a kingdom which cannot be shaken" and that kingdom is the Kingdom of God!! Holy Spirit, please give us greater revelation on God's unshakable Kingdom to prepare and anchor us for the days ahead!

I believe in being prepared and I have needed supplies on hand but I believe that having extra oil of the Holy Spirit is the most essential thing needed to prepare us for all the shakings and Jesus' soon return.

Matthew 25:1-13 is the parable of the ten virgins - five wise and five foolish. One translation called them bridesmaids waiting for the bridegroom. The five wise took oil in their vessels with their lamps and the five foolish had their lamps but no oil. When the bridegroom (Jesus) delayed in coming, all ten of the bridesmaids went to sleep. At midnight the cry, "Behold the bridegroom is coming!" The Word says we don't know the day or hour that Jesus will return so we must stay alert and awake! Watch and pray!

I believe that this world pandemic will be used by our sovereign God to prepare us for the days in Matthew 24 - famines, pestilences, earthquakes that will increase and with more intensity. If we are full of Holy Spirit, we will be fully prepared and if we will abide in the "secret place of the Most High" (Psalms 91) we will remain stable and fixed under the shadow of the Almighty!

God has sovereignly brought about a "heavenly pause" to some of our lives with the social distancing and stay at home orders. For all those health care providers and essential services, we pray for divine grace, strength and protection. This could also look like a "reset" or "recalibration" to our normal routines. God is giving us time to spend more time in the Word and sitting in His presence to store up that extra oil!

In Exodus 12 we read about another "stay at home" order when God told the Israelites to observe the Passover meal and apply blood on the doorposts of their homes so that when the death angel passed over their lives would be spared. We know that this is a picture of the Cross and Jesus shed blood over our lives not only for forgiveness of our sins but for our protection as well! Thank you Jesus for your blood!!

There's no doubt in my heart that God is in control no matter how whacky it gets out there! As we draw near to Him and He draws near to us... something supernatural is going to take place to prepare us for the next great wave of revival! Perfect love casts out all fear. (1-John 4:18) If you experienced fear during all the shakings, renounce this fear and ask the Father to fill you with His kind of faith! Full of fresh oil and anointing we will go forth in a fearful world with faith and hope and as we humble ourselves, repent and pray...God will heal our land!

*Watching and waiting!!!
Rhonda*

God is in control.
Fear has no place.

Now that God has everyone's attention, it would be in our best interest to be still and listen.
