Ordinary People Serving an Extraordinary God

SEPTEMBER 2020

ANGELS

One of the greatest blessings of my life is my family and ancestors! I am so very grateful for godly parents, great and grand grandparents! Their prayers and influence have shaped my life!! As a child I remember many Sunday meals at my grandparents house, the walks down the gravel road and the afternoon concerts with my grandma at the piano, my daddy and granddad on the fiddles and my uncle on the guitar. Hymns and hoedown were the entertainment for the afternoon and sometimes watching Oral Roberts' healing services on the old black and white TV. Sundays were always about honoring the Sabbath, the Lord and family!

My grandparents had a "breezeway" where we would often sit to visit and as a little girl I remember this picture hanging on the wall. It made a profound impact on me as I studied the details of the little children crossing over a broken down and rickety old bridge with treacherous, rushing waters below. What if they fell through the missing boards!! What if the stormy weather and lightnings

on the horizon came upon them before they got home!! But, larger than the dangerous obstacles was the huge angel who was carefully watching over them! This picture was a precious seed placed in my heart of God's protection which is still with me to this very day!

There are many verses in the Bible about angels.....108 in the Old Testament, and 177 in the New Testament. These verses speak of angels protecting, warning, instructing and ministering food and strength. Angels are agents of God who carry out His bidding.

Here's just a sampling:

Psalms 91:11-12, Psalms 103:20, Psalms 34:7, Matthew 18:10, Daniel 6:22, Acts 8:26, Matthew 2:13, Luke 22:43, Matthew 4:11, Hebrews 1:14, Hebrews 13:2.

I encourage you to look up these scriptures to encourage yourself as we go through challenging days ahead!! Pastor John Kilpatrick shared a word that the Lord gave him before we entered the year 2020.

The Lord told him that the darkness was going to quickly change to gross darkness (Isaiah 60:2) but the Lord said He was sending His angels to help us!! That's the faithfulness from our Father God! It would be unwise to focus our attention on angels but to thank the Lord for them and focus our hearts and minds only on Him!

One last thing on my heart....for those of us who are parents, great and grand parents....we need to now more than ever be sharing God's Kingdom truths to the next

generations! I will forever be grateful for my dearly departed loved ones who planted precious seeds of the Gospel by their words and their example in living! The world is rapidly changing, leaving God out of every aspect of culture and we must share with the next generation!

Father.....we are grateful for the angels You assign to us to protect, preserve and defend us and all those we love!!

*I love you all and bless you in the Name above all names!!

I want to thank everyone who has supported Grace Place through serving meals, donations of finances, clothing, your time and most of all your prayers!! Lives have been touched by God through you!!!

Have you ever stopped and wondered what God has done in your life that you aren't aware of? Maybe He healed you before you were even sick. Perhaps He saved you from a fatal car crash that never happened.

I feel like God has protected me more times than I can count, so I can only imagine the times He's rescued me when I wasn't aware that I was in danger.

I thank Him for watching over me, even when I didn't realize it. What an awesome
