HIS - STORY!!!

Merriam-Webster dictionary defines HISTORY: a tale or story; a chronological record of significant events; an established record.

You may feel like me that your life hasn't warranted any special notice or documentation, but as I reflect on my life and more importantly how God sees my past, present, and future...I am beginning to see that the Bible has a lot to say about me and my history! Actually...my life is about... His Story! Get it...?? HISTORY!!

God is the Author of our lives and according to *Psalms 139:16*, our lives were important enough that God wrote details about our days before there was even one day!

"Your eyes saw my substance, being yet unformed. And in Your book, they all were written, the days fashioned for me, when as yet there were none of them."

Our Creator has written every second, minute, hour, day, week, month, and year of our lives in His book! All good, bad, ugly, and beautiful events in our lives, He is formulating into an awesome testimony for His honor and glory! We wonder how God could ever make something wonderful out of tragedy, rejection, abuse etc. but according to *Ecclesiastes 3:11*, *"He has made everything beautiful in its time."* We just need to offer up to Him all of our past, present, and future mistakes, failures, and victories; and trust Him to do something awesome with us!!

This life that we live isn't a marathon, but a journey and the destination set before us is to stand before Him one day and hear Him say, *"well done, good and faithful servant."* We get to live this life that God has fashioned for each of us individually! He created each of us in His image to do good works...to have intimate fellowship with Him every day in the highs and lows of life! We get to do life with Him.... daily!!

Our Father is writing page by page and chapter by chapter of our lives which formulates our testimony. *Revelations 12:11*, *"And they overcame him by the blood of the Lamb and by the word of their testimony, and they did not love their lives to the death."* We have some challenging days ahead and we will need to share our testimony often to encourage others and ourselves as well! We can all testify of the faithfulness, mercy, grace, and love of God that has been lavished on us and our loved ones!

There is a dash on our tombstone between the birth date and our death date. What are we doing during the dash?? When the eulogy is read about us.... would it be said that we loved and honored our God and we loved and honored each other??
