## Connecting the Dots

I think we all can remember when we were children long long ago when we had a piece of paper before us with a bunch of numbers. The purpose of this activity was to connect some dots starting with the number 1 & continuing to the last number which created a picture. When we started, we had no idea what the picture would be but as we drew a line from one number to the next, we started to get some idea!

I am thinking of the verse in Jeremiah 29:11, "*For I know the plans I have for you,*" declares the Lord, "*plans to prosper you and not to harm you, plans to give you hope and a future.*"

I think our faithful God is our "dot connector"! All our lives He has been connecting dots and making connections to people, places, and experiences. He has plans for us as stated in Ephesians 1:4 which states that, "*He has hand-picked us before the foundations of the world to be set apart and holy for Him!*" These plans are like connecting dots and when we first start out, we can't see what the future holds, or what the picture looks like, but He faithfully shows us the next step. We may not know the when, where, or how of these connected dots...we just need to know the One Who has the plans!

There is a contemporary worship song which is such an encouragement to me.... the chorus is:

*Way maker, miracle worker,  
Promise keeper, light in the darkness,  
My God, that is Who You are.  
Way maker, miracle worker  
Promise keeper, light in the darkness  
My God, that is Who You are.*

I look back of my 74 plus years and see that all along the way, my Way Makers...Father, Son and Holy Spirit, have made a way when there was no possible way for me! Time and time again They supernaturally protected, healed, provided and guided me as the dots were being connected for my destiny. When I look at what They did to start Grace Place, I am still amazed because there was no way that I could have ever stepped out in faith for the vision They placed in me! There is another vision for me coming up in the near future and once again there is no way I can do all that the Lord has shown me, but I know by faith that They are my Way Makers, Miracle Workers, and Promise Keepers....my Dot Connectors!

This life we live isn't a 100-yard dash, but a marathon and the Lord is cheering us on to the finish line to fulfill the destiny He has planned for us. When we cross that line, I pray that we all hear, "well done, good and faithful servant." What an adventure!! The plans for each of us are good and we have hope for the future!!

Thank you to all of you who have been a part of Grace Place all these 25 years! We couldn't have done it without you!!

We love you so very much! Expectantly waiting for doors to open!!

Love,  
Rhonda

As our children at Grace Place prepare to go back to school, we try (if possible) to provide them with a clean school uniform (new or used)

Any donations of uniforms, backpacks, school supplies, or funds to purchase for them, would be such a blessing to them!!
