

Dream BIG !!

We are praying for a BIG DREAM at Grace Place! Please join us! Today we are serving double, and sometimes triple, the number of people in the soup kitchen compared to a decade ago. The same is true in our clothes closet! We desperately need to expand this area! Between 350 and 450 households visit our clothes closet each month hoping to receive clean clothes for themselves and all their children. They also hope to receive (if available) underwear, socks, and hygiene products. As always, everything they receive is donated from YOU, our community, and everything they receive is NO charge to them.

Over the years it has become more and more difficult to help the increasing number of people in need with the tiny space we currently have. In addition to being able to accept and distribute more clothing, we are also praying that with the expansion we will be able to broaden the ways in which we can help our community.

We see countless individuals and families each month who have managed to overcome homelessness. They have secured a new place to live, but they literally have NOTHING other than the keys. They have nothing in the kitchen, no living room furniture or a table, and they are often sleeping on the floor. We have long wanted to help meet these needs, but our limited space has prevented us from accepting and storing larger donations.

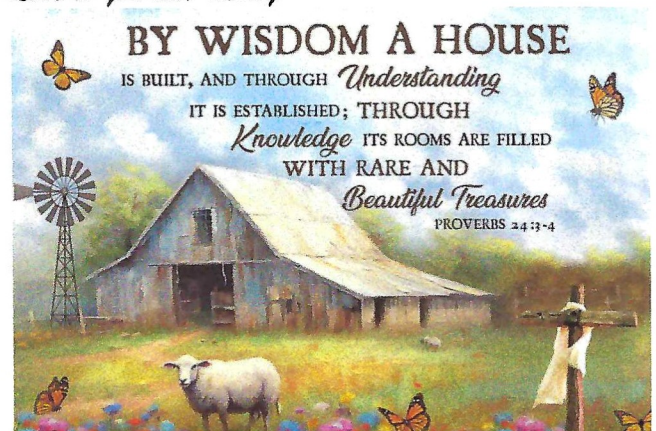

We believe the Lord is already opening doors!! A few months ago, we were able to take ownership of the alleyway that runs west of our building. And just last week, we had the greatest blessing from the Southern Baptist Convention Disaster Relief Organization! They removed a massive tree in the alleyway that will now make it possible to expand into this land. It was an exciting three days and the men worked so hard in this unbelievable heat! We are EXTREMELY grateful to them!

There is still so much work ahead. We are praying for an architect to help us develop plans, and we will need a builder, financial resources, and many willing hands. Most of all, we are waiting on the Lord's timing and trusting Him to guide each step. As Psalm 127:1 reminds us, "Unless the Lord builds the house, the builders labor in vain."

Please join us in dreaming BIG and praying for this expansion!

Thank you for your faithful support of Grace Place Ministries. Because of your prayers, generosity, and service, we continue sharing God's grace with those who need it most.

Love to you all, Misty
