FILTERS

In simple terms, a filter lets some things through and keeps other things out. Another way to define filter is something that removes, separates, or blocks unwanted things while allowing what is wanted to pass. Water filters, email filters, air filters, photo filters are among filters we use every day but what if we had filters for our eyes and how we see situations… spiritual filters to see differently in the spirit rather than the natural?

2 Kings 6:14-17, is a great example of eye filters. The prophet of God, Elisha, had his young servant with him when they had been surrounded during the night by a great Syrian army with many horses and chariots. All that the young man could see was through his natural eyes and their situation looked hopeless with no escape. In panic he cried out, "What shall we do?" Elisha made a great faith statement, "Do not fear, for those who are with us are more than those who are with them!" To the young man this seemed impossible and unbelievable because he could literally see this great army and yet his master said, "Do not fear." Then Elisha prayed that the Lord would open his servant's eyes and the Lord did open his eyes and he saw through a "God filter" that the mountain was full of horses and chariots of fire all around them!

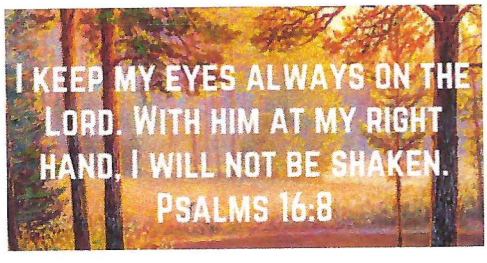

I believe that an angelic army was surrounding them!! Their situation hadn't changed but through this spiritual filter he saw the situation in a whole different light and was greatly encouraged that God was intervening in this battle! Elisha had seen with spiritual filters of faith and his servant had seen through the filter of fear. In God's gracious faithfulness he changed the filter!!

So, I believe that we can ask the Lord for eyes with faith filters so that we can see every situation in life through His eyes. The Lord sees a much bigger picture in our lives than we do…. He sees the plans and the outcome and promises that He has put forth in motion and His hope for our future. (Jeremiah 29:11) This is where either we trust Him or we don't. We might not see the whole picture but by faith we can ask for His eyes to see as He sees. All we have to do is ask and we will receive! This will be life changing!! Open our eyes Lord!!

Happy Fall y'all!! Love and God's abundant blessings on you all!!
